

April is the time of year when we start calling our church partners, like Katy Christian Community Church, for our Baby Bottle Bonanza Fundraiser. This fundraiser is a very important part of funding our center.

Typically, we give out thousands of individual baby bottles for people to collect their donations in and return the bottles to us! This year we are going COVID style and making Baby Bottle Bonanza BOXES! We are reducing the number of items a person must touch while at the same time promoting life, raising funds, and fellowshiping with our prolife community.

No individual bottles to pass out this year but with these decorated boxes located at your church, together we can promote life! We can give anyone a chance to donate baggies of coins, cash or checks **from Mother's Day to Father's Day**, just by dropping it in our BBBBox!

And if you cannot make it by one of our BBBBoxes to drop off your donation, please mail it to us at **Women's Pregnancy Center 10103 Fondren Rd Ste 230 Houston, TX 77096** or go online to wpchouston.com and **click donate**. With these funds we can offer all our services for free to our clients. We offer lab quality pregnancy tests, ultrasounds, parenting classes, material items from our baby boutique, a network of community helps, and biblically based counseling just to name a few things we do for the hundreds of people we see annually. Help us reduce abortion rates and promote LIFE!
